## RESCUE NEWS

Angel Horse Rescue, Inc. held our first Open House on Saturday, September 13, 2008. Although it appeared that we would have a rainy day, the rain drops held off until the very end of the Open House and we had a great turnout. Lots of families showed up to enjoy meeting and spending time with the horses as well as getting a chance to take a look at our new facility. Featherlite of Tulsa brought an aluminum horse trailer for display and Morton Buildings was also on hand to give information on our barn construction and answer any questions. The children particularly enjoyed petting and spending time with Smokey, our little yearling that was rescued from the slaughterhouse feedlot and he certainly enjoyed all the extra attention. Sam, our off the track Thoroughbred gelding was also a

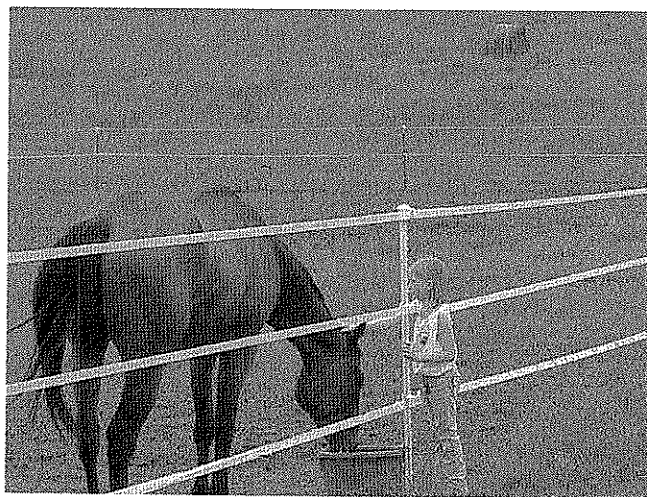

big hit due to his friendly, laid back personality. A special thanks to our volunteer grill master and AHR club member, John Hirsch, for his time and efforts. Everyone enjoyed the complimentary grilled chicken, hot dogs and hamburgers for lunch. Also, we would like to thank the White family for their continued support — they are our most valued and dependable volunteers. Their efforts kept the Open House running smoothly and the door prize drawings punctual. We are planning another Open House in conjunction with the Antique Truck Historical Society show in June 2009.

# HAPPY ENDINGS...

Dottie has been adopted by a wonderful new home that is willing to work patiently with her to overcome her fear of being haltered. She has a beautiful new name, Aleia, that fits her perfectly. Her new owner has already been able to halter her several times and even have the farrier trim her front feet. Its awesome to see how these once "worthless" and "unwanted" horses blossom and respond to gentle and consistent encouragement.

One of our thoroughbred geldings, Sam, has found his new forever home. Sam was adopted to be a companion to a lonely 12 year old gelding in his new home. He is settling in and getting acquainted well with his new pasture buddy and his new owner is very happy with her "sweet" new boy.

Scarlett and Faith were adopted together and have gone to their new home on a 160+ acre ranch. Faith will be trained for riding and we expect she will make a wonderful trail horse for her new owners.

**If you are interested in adopting one of our horses, you can find copies of our adoption policies, an application and a copy of our adoption contract on our website:**

Upon arrival at Angel Horse Rescue, each horse's immediate physical needs are addressed. Over the course of the next few months, each horse is evaluated to determine its level of training, abilities and any physical or mental limitations. Some horses, as a result of severe neglect or abuse, may take several months or even longer to achieve a healthy weight and/or basic skills (halter training and minimum ground manners) which are required prior to being eligible for adoption. Other horses are considered unadoptable due to extensive medical needs, behavioral problems or advanced age and will remain at the rescue for the rest of their lives.

AHR's sponsorship program allows a donor to specify a particular horse that they would like their donation to benefit.

AHR also has a **HORSE ANGEL** Program where ongoing monthly sponsorships are available for long term equine residents of the rescue. Under the Horse Angel monthly program, a donor

will receive periodic updates and photos of the sponsored horse for as long as their sponsorship continues and may schedule visits with their sponsored horses by appointment.

Whiskey and Frank are two of our permanent residents currently at the rescue. Whiskey is an older thoroughbred gelding in his mid 20's and Frank is a 12 year old gelding with a leg joint injury that makes him unsound for riding. Please consider being a "Horse Angel" to one of these deserving guys or any of our other horses who are in rehabilitation or permanent residents of the rescue.

Our mission is to provide rescue and rehabilitation to abused, neglected and abandoned horses as well as horses at risk for slaughter. We are 100% volunteer and donation supported. Our future goals include establishing a program for disabled children and adults, as well as at-risk youth to come and benefit from interaction with the rescued equines.

Visitors are welcome at the rescue, however we do ask that you call ahead first and make an appointment to insure that a volunteer is available to meet you. Our phone number is (918) 607-5983.
